

Attends CLASSIC Briefs

**SUPERSORB®
DRYNESS LAYER**

Single Core Plus

Product Description

The Attends Classic Brief is an excellent choice when performance and value are equally important. Part of our premiere Attends professional-grade product line designed for skin wellness, the Classic brief is made of soft, breathable material for comfort. It contains our Single Core Plus layer with more absorbent polymers for greater absorbency compared to a standard single core. Our Supersorb layer is added to further enhance dryness, and odor-blocking properties ensure confidence and dignity.

- Excellent combination of performance and value
- Soft, breathable material for comfort
- Single Core Plus layer with more absorbent polymers than a standard single core
- Supersorb layer for enhanced dryness
- Odor-blocking properties for confidence and dignity
- Suitable for heavy to severe incontinence
