 US: +1 703 527 3887  
 available 24 hrs/7 days; multi-language response

MEDICAL EMERGENCIES: +1 612 221 3999, Ext 221  
 available 24 hrs/7 days; multi-language response

## 2. HAZARDS IDENTIFICATION

**Fire and Explosion Hazards**

This product will support combustion at elevated temperatures.

**Health**

May cause transient eye irritation.  
 Health effects information is based on hazards of components.

**Environment**

No information is available about the potential of this product to produce adverse environmental effects.

## 3. COMPOSITION / INFORMATION ON INGREDIENTS

Ingredients	CAS #	Percent	EC-No.
CARBOXYMETHYLCELLULOSE	9000-11-7	24	
METHYL VINYL ETHER-MALEIC ANHYDRIDE COPOLYMER	9011-16-9	30	

MINERAL OIL	8042-47-5	17	232-455-8
Other components below reportable levels		29	

#### 4. FIRST-AID MEASURES

<b>Ingestion</b>	Never attempt to induce vomiting. Do not attempt to give any solid or liquid by mouth if the exposed subject is unconscious or semi-conscious. Wash out the mouth with water. If the exposed subject is fully conscious, give plenty of water to drink. Obtain medical attention.
<b>Inhalation</b>	Physical form suggests that risk of inhalation exposure is negligible.
<b>Skin contact</b>	Using appropriate personal protective equipment, remove contaminated clothing and flush exposed area with large amounts of water. Obtain medical attention if skin reaction occurs, which may be immediate or delayed.
<b>Eye contact</b>	Wash immediately with clean and gently flowing water. Continue for at least 15 minutes. Obtain medical attention.

#### NOTES TO HEALTH PROFESSIONALS

<b>Medical Treatment</b>	None.
<b>Medical Conditions Caused or Aggravated by Exposure</b>	None for occupational exposure.
<b>Antidotes</b>	No specific antidotes are recommended.

#### \* 5. FIRE-FIGHTING MEASURES

<b>Fire and Explosion Hazards</b>	This product is expected to be flammable, based on components present.
<b>Extinguishing Media</b>	Water is recommended for fires involving packaging.
<b>Special Firefighting Procedures</b>	For single units (packages): No special requirements needed. For larger amounts (multiple packages/pallets) of product: Since toxic, corrosive or flammable vapours might be evolved from fires involving this product and associated packaging, self contained breathing apparatus and full protective equipment are recommended for firefighters. If possible, contain and collect firefighting water for later disposal.
<b>Hazardous Combustion Products</b>	Toxic, corrosive or flammable thermal decomposition products are expected when the product is exposed to fire.

#### 6. ACCIDENTAL RELEASE MEASURES

<b>Personal Precautions</b>	Wear protective clothing and equipment consistent with the degree of hazard.
<b>Environmental Precautions</b>	For large spills, take precautions to prevent entry into waterways, sewers, or surface drainage systems.
<b>Clean-up Methods</b>	Collect and place it in a suitable, properly labelled container for recovery or disposal.
<b>Decontamination Procedures</b>	No specific decontamination or detoxification procedures have been identified for this product.

#### \* 7. HANDLING AND STORAGE

##### HANDLING

<b>General Requirements</b>	No special control measures required for the normal handling of this product. Normal room ventilation is expected to be adequate for routine handling of this product.
<b>Ignition Controls</b>	Keep this material away from all forms of ignition such as open flames, mechanical sparks, frictional heat and hot surfaces.
<b>STORAGE</b>	No storage requirements necessary for occupational hazards. Follow product information storage instructions to maintain efficacy.

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

## OCCUPATIONAL EXPOSURE LIMITS

INGREDIENT	CARBOXYMETHYLCELLULOSE
------------	------------------------

GSK Occupational Hazard Category	1
----------------------------------	---

Other Equipment or Procedures	None required for normal handling. Wash hands and arms thoroughly after handling.
-------------------------------	-----------------------------------------------------------------------------------

## \* 9. PHYSICAL AND CHEMICAL PROPERTIES

## Appearance

Physical Form	Cream.
---------------	--------

Flash Point	> 170 °C (Estimation based on components).
-------------	--------------------------------------------

## \* 10. STABILITY AND REACTIVITY

Stability	This product is expected to be stable.
-----------	----------------------------------------

Conditions to Avoid	Avoid direct sunlight, conditions that might generate heat and sources of ignition.
---------------------	-------------------------------------------------------------------------------------

## 11. TOXICOLOGY INFORMATION

## Routes of Exposure

Oral Toxicity	Non-toxic following ingestion.
---------------	--------------------------------

Inhalation Toxicity	No studies have been conducted.
---------------------	---------------------------------

Skin Effects	Irritation is not expected following direct contact.
--------------	------------------------------------------------------

Eye Effects	Minor irritation might occur following direct contact with eyes.
-------------	------------------------------------------------------------------

Sensitisation	Sensitisation (allergic skin reaction) is not expected.
---------------	---------------------------------------------------------

Genetic Toxicity	Not expected to be genotoxic under occupational exposure conditions.
------------------	----------------------------------------------------------------------

Carcinogenicity	No components are listed as carcinogens by GSK, IARC, NTP or US OSHA.
-----------------	-----------------------------------------------------------------------

Reproductive Effects	Not expected to produce adverse effects on fertility or development under occupational exposure conditions.
----------------------	-------------------------------------------------------------------------------------------------------------

Other Adverse Effects	None known for occupational exposure.
-----------------------	---------------------------------------

## 12. ECOLOGICAL INFORMATION

Summary	No information is available about the potential of this product to produce adverse environmental effects. Local regulations and procedures should be consulted prior to environmental release.
---------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

## 13. DISPOSAL CONSIDERATIONS

Disposal Recommendations	Collect for recycling or recovery if possible. The disposal method for rejected products/returned goods must ensure that they cannot be re-sold or re-used.
--------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------

Regulatory Requirements	Observe all local and national regulations when disposing of this product.
-------------------------	----------------------------------------------------------------------------

## \* 14. TRANSPORT INFORMATION

The SDS should accompany all shipments for reference in the event of spillage or accidental release. Only authorised persons trained and competent in accordance with appropriate national and international regulatory requirements may prepare dangerous goods for transport.

## UN Classification and Labelling

Transport Information	Not regulated in transport.
-----------------------	-----------------------------

## 15. REGULATORY INFORMATION

The information included below is an overview of the major regulatory requirements. It should not be considered to be an exhaustive summary. Local regulations should be consulted for additional requirements.

**EU Classification and Labelling**

Exempt from requirements of EU Dangerous Preparations directive - product regulated as a medicinal product, cosmetic product or medical device.

**US OSHA Standard (29 CFR Part 1910.1200)**

**Classification** This product is exempt from the requirements of the OSHA Hazard Communication Standard.

**Other US Regulations**

**TSCA Status** Exempt
