RGAs will be issued at Alcavis HDC’s sole discretion, in accordance with these terms and conditions. Purchaser must provide its account information as required by Alcavis HDC for all returns. RGAs are valid for fourteen (14) calendar days from the date of issuance. Purchaser must allow for in-transit time for Products to be returned to Alcavis HDC, as Alcavis HDC must physically receive Products within the fourteen (14) calendar days. RGAs will be issued for authorized returns under one of the following categories: (i) defective Products, (ii) stock balancing, (iii) billing or shipping discrepancies, or (iv) damaged Product. Purchaser is responsible for ensuring that the RGA number is clearly visible on the address label of the Product packaging when it is returned to Alcavis HDC. Alcavis HDC will refuse delivery of any box without a valid, clearly visible RGA number as noted above. Overgoods are unauthorized returns. Any Products received by Alcavis HDC (i) without a valid RGA number, including Product shipments refused by Purchaser except those damaged in transit from Alcavis HDC to Purchaser, (ii) later than fourteen (14) calendar days from the RGA date, or (iii) in a condition unsuitable for resale (excluding defective Products), will be considered Overgoods. Alcavis HDC will return Overgoods to Purchaser, and will charge Purchaser a \$50 processing fee per shipment plus related freight charges. If Purchaser refuses the shipment of Overgoods from Alcavis HDC or returns the Overgoods to Alcavis HDC a second time without prior authorization, Purchaser agrees to relinquish all right and title to and waives all claims against Alcavis HDC for credit related to such Products.

Defective Product Returns – Defective returns are only for Products purchased from Alcavis HDC that are inoperable or do not function in accordance with the specifications published by Alcavis HDC. Purchaser may request an RGA for the return of defective Products within sixty (60) calendar days of invoice date. Upon receipt of the defective Product for which RGA was issued, Alcavis HDC may test the Products and may return to Purchaser, at Purchaser’s expense, any Products found not to be defective. Upon verification that the returned Product is defective, Alcavis HDC may, at Alcavis HDC’s sole discretion, either (i) ship Purchaser a replacement Product, or (ii) provide Purchaser a credit equal to the lesser of the Product’s invoice price or current replacement value less any applicable charges or fees. Alcavis HDC shall not be obliged to repair, replace, or issue credit to Purchaser for Products rendered defective, in whole or in part, by causes external to the Products, including, but not limited to, catastrophe, power failure or transients, overvoltage on interface, environment extremes, improper use, maintenance or application of the Product or use of unauthorized parts. Purchaser shall bear all risks of loss when returning defective Products.

Stock Balance Returns – Stock balance returns are only for Products purchased from Alcavis HDC that are unopened and unused and can be re-sold as new. All stock balance Products returned must be in the original packaging and in condition suitable for resale including, but not limited to, clean, undamaged and complete (“Stock Balance Condition”). Upon verification that the returned Product is in Stock Balance Condition, Alcavis HDC will issue a credit to Purchaser equal to the lesser of the Product’s invoice price or current replacement value less any applicable charges or fees.
