

Dear Valued Customer:

This letter is provided in response to your request for a Material Safety Data Sheet (MSDS) for Hudson sterile water products manufactured by Teleflex Medical.

Teleflex Medical water products are intended for use in respiratory care and inhalation therapy, and are designed and manufactured in accordance with applicable regulatory requirements including the United States Pharmacopoeia (USP), ISO 13485 and the US Food and Drug Administration's Good Manufacturing Practices.

Material Safety Data Sheets have not been developed for these products and there are no regulatory requirements to develop and maintain MSDS for water products when used as indicated above.

Sincerely,

Daphne D. Maurer
Vice President Regulatory Affairs
