

SkinGuard

Moisture Barrier Ointment

ProCure SkinGuard Moisture Barrier Ointment is a gentle, petroleum based formula enriched with Zinc, Aloe Vera, and Vitamins A, D, & E to help soothe, protect, and hydrate the skin. Designed to prevent and relieve moisture-associated skin damage, including incontinence associated dermatitis, it forms a skin barrier protectant that locks out moisture which allows the skin to heal.

This smooth, easy-to-apply ointment comforts and protects while leaving skin soft, supple, and well-nourished—ideal for use in a comprehensive skin protection routine.

Features & Benefits:

- Incontinence support
- Enriched with Zinc, Aloe Vera, and Vitamins A, D & E to nourish skin
- Temporarily protects and helps relieve chafed, chapped or cracked skin
- Forms a soothing barrier to relieve irritation and promote comfort
- Smooth, easy-to-apply formula ideal for daily use on sensitive areas

Enriched with
Vitamins A, D,
E, Aloe Vera
& Zinc
