

**Brava® Paste**

A sting-free alternative to conventional alcohol-based paste.

- Creates a tight, effective seal between peristomal skin and the ostomy/fistula appliance
- No alcohol = no need to “set”; contains pectin
- **Not made with natural rubber latex**

Code	Size	Units	HCPCS*
12050	2 oz.	1	A4406

**Coloplast® Paste**

Used to fill in uneven skin surfaces to create a flat pouching surface.

- Provides tight sealing around the stoma
- Protects against stoma output, minimizing risk of maceration
- Low alcohol content; no pectin
- **Not made with natural rubber latex**

Code	Size	Units	HCPCS*
2650	2 oz.	12	A4405

**Brava® Skin Cleanser Wipes**

The wipe that cleans and cares. A convenient way to cleanse and maintain healthy skin when changing the ostomy pouching system.

- Contains ProVitamin B5 to provide a soothing and moisturizing effect
- Does not contain alcohol or perfumes
- No residue left on the skin that could affect barrier adhesion
- **Not made with natural rubber latex**

Code	Size	Units	HCPCS*
12080	1 wipe	15 wipes/pack	A9286

**Brava® Lubricating Deodorant**

A pouch lubricant + deodorizer in one. Powder-fresh liquid neutralizes odor and allows output to slide to the bottom of the pouch for easier emptying.

- **Not made with natural rubber latex**

Code	Size	Units	HCPCS*
12060	.25 fl. oz. (7.5 mL) sachet	20 sachets	A4394
12061	8 oz. bottle	16	A4394

**Brava® Adhesive Remover Spray**

- Designed to lift the edges of the barrier for ease in removal
- Dry within seconds without leaving an oily residue behind
- Alcohol-free, silicone-based, and sting-free
- **Not made with natural rubber latex**

Code	Size	Units	HCPCS*
120105	1.7 oz. (50 mL)	1	A4455
