

# PATIENT & EXAM ROOM SHARPS CONTAINERS

Designed for use in patient rooms, physicians' offices, clinics and other high-traffic areas

## FEATURES & BENEFITS

- Rotating lid design restricts access to container contents
- Lid design accommodates syringes up to 60ccs
- Horizontal drop allows maximum capacity of sharps
- Translucent containers and lids help identify fill level
- Can be used on tabletop or with locking cabinets or bracket wall mounting options for safety and convenience
- Containers lock for final disposal
- Nestable to save space and reduce shipping costs
- English, Spanish and French labeling

*Note: For final disposal - render non-infectious by autoclave then incinerate or grind/shred*
