

MEN'S
LIBERTY™
The Freedom to Live

The first new technology in men's bladder control in 50 years!

The completely external Men's Liberty seals gently and securely to the tip of the penis with BioDerm's proprietary hydrocolloid adhesive XtraDerm™, designed for extended wear time. Men's Liberty keeps the skin dry and comfortable—all day, every day.

Men's Liberty:

- Is completely external
- Keeps users dry and comfortable 24/7
- Fits all male anatomy: large, small, circumcised, uncircumcised and retracted
- 100% latex-free and hypoallergenic
- Seals securely for 24+ hours
- Allows men to intermittent cath with the device in place
- Connects to any standard leg or bedside bag
- Covered by Medicare, Medicaid, private insurance, workers compensation, TriCare and is on the GSA formulary
