POSEY TWICE-AS-TOUGH® CUFFS

Posey's Twice-as-Tough® limb restraints are reliable, sturdy, and easy to use. They bring together the comfort of soft restraints with the strength of hard restraints.

Patient Safety Comes First

POSEY'S UNIQUE PORTFOLIO OF LIMB RESTRAINTS IS BROAD AND DIFFERENTIATED TO PROVIDE PATIENTS WITH THE CARE THEY NEED.

SOFT LIMB HOLDERS

- Use for wrist or ankle restraint
- Includes adjustable sizes for adult or pediatric limbs
- Provides patient mobility with slide feature on wrist
- Designed for patients who:
 - Risk disrupting treatment
 - Pick, pull, scratch, or peel materials that exacerbate skin conditions
 - Cause self-injury
 - Compromise wound site integrity

2532

FOAM

Soft, breathable foam which provides added patient comfort

2551

QUILTED

Soft, quilted material designed for patients with skin sensitivity

TWICE-AS-TOUGH® CUFFS
