helping save lives

Little Baby QCPR

Creating quality lifesavers

Little Baby QCPR enhances infant CPR training programs by delivering quality CPR training with real-time and summative feedback, efficiency with multiple student monitoring, and increased engagement using a gaming element.

Feedback Options

QCPR Instructor App For instructors to monitor multiple students

- Connects to 1-6 manikin(s)
- Shows live and summative feedback of CPR performance
- Provides suggestions for improvement, post-session
- Results are saved in the app
- QCPR Race game to boost engagement
- Free download on App store and Google Play

QCPR Learner App For students to monitor their own performance

- Connects to 1 manikin
- Shows live and summative feedback of CPR performance
- Provides suggestions for improvement, post-session
- Results are saved in the app
- Free download on App Store and Google Play

SkillGuide

- Provides a tethered, "plug and play" option
- Can be used standalone or as a supplement to either of the apps
- For students to monitor their own performance
