

Cardinal Health™ NPWT disposables and accessories

We offer a variety of high-quality Negative Pressure Wound Therapy (NPWT) disposables and accessories for all types of wounds.

Wound dressings

- Black foam dressing kit with Occlusion Detection technology — includes black foam, polyurethane drape and SpeedConnect™ tubing with Twist N' Connect™ port
- White foam — hydrophilic, high density, small pore size, flexible when wet or dry, no need to wet the foam prior to placement
