

Dining > Weighted/Unweighted Cups & Mugs

Hand to Hand Mug. Contoured shape makes it easy and comfortable to grip with one or two hands. The double-wall design insulates the hands from heat and cold while retaining the temperature inside the mug. Holds 10 oz. Top rack dishwasher and microwave safe.

561588 \$18.53

Ergo Mug. Easy-to-hold cup has an extra-wide handle and grooved gripping surface. A small finger rest opposite the handle allows the mug to be lifted with both hands, reducing the risk of spills. Graduation markings and translucent plastic make it easy to see how much fluid is consumed. Holds 9.5 oz., hot or cold. Lid features a large angled spout and prevents spilling. Mug and lid are dishwasher- and microwave-safe.

081565126 Clear Mug \$20.04

081565134 White Lid \$11.59

Clear 2-Handle, 12 oz. Mug.

Made from plastic with an extra-large base and two large handles. Holds 12 ounces of cold or warm beverage. Volume markings show capacity and are easily viewable from the outside. Comes with two different lids—both accommodate a straw. The anti-splash lid helps prevent spilling, and has both a high-flow and low-flow feature. Mug and lids are institutional dishwasher safe.

565960 \$14.50

No-Tip Weighted Base Cup. Two-handled cup with weighted base and rounded corners is ideal for pediatric use. Self-righting, even when released from a lying position. Clear plastic, dish-shaped lid has two holes to let fluid flow into the dish for drinking. Another lid has a molded plastic mouthpiece. Holds up to 6½ oz. Top rack dishwasher safe. BPA and Latex free.

557143 \$13.81

Insulated Weighted Cup. Keeps food and drink warm or cold. Weight has been added internally to the base to reduce tremors of the hand. Holds up to 8 oz. Blue. Comes with lid. BPA, Phthalates and Latex free.

557142 \$28.50

112302 Snorkel Lids \$11.10

113701 Mug/Tumbler Lids \$11.10

081551936 With Tumbler Lid, Red 12 oz. \$9.43

Homecraft Clear Mug. Tough material prevents accidental breakage. Liquid consumption is easily measured by the marked gradations.

The mug is supplied with a choice of lids. A spout lid simplifies drinking. A recessed spillproof lid avoids splashes. Lids from the Independence range also fit. The mug is dishwasher safe; lids are not. Holds 13.5 oz.

081569656 \$13.35

Weighted Two Handle Mug. This crystal clear plastic mug has a base with a weight of 10 oz. and two large handles to make drinking safer and easier.

The handles will accommodate four adult fingers; the lid has a drinking spout to prevent spills. Capacity 10 oz. Dishwasher safe up to 194°F. Not recommended for microwaves.

555667 \$17.85

12 oz. Weighted Cup with Lid.

12-oz. cup with eight extra ounces of weight makes it easier for clients with tremors and athetosis to control movement while drinking.

Insulates hot or cold liquids. Features easy-to-grasp handle and stable, wide base. Polypropylene. Can also be used with 112302 Snorkel Lid or 113701 Mug/ Tumbler Lid. Not recommended for institutional dishwasher or microwave. BPA, Phthalates and Latex free.
