Medi-Vac® Suction and Fluid Collection Products—Guardian™ System

At Cardinal Health, our number one goal is to improve safety and efficiency throughout the hospital, allowing customers to focus on what matters most — caring for their patients. We offer families of products that allow you to stay competitive in today's healthcare environment, control costs and meet the diverse needs of your facility.

The Guardian™ Suction Canister System features single-use disposable hard locking lid attachments. Special brackets and stands are available for convenient mounting configurations and mobility. Designed for safety, economy and convenience, Guardian™ Suction Canister Systems are available in a variety of sizes to meet all of your suction and fluid collection needs.

For more information about the Guardian™ Suction Canister System or to place an order, please contact your Cardinal Health sales representative, call customer service at 800.964.5227 or visit cardinalhealth.com/medivac.

Disposable canisters

Guardian™ Disposable Hard Canisters feature rigid blue lids with an automatic shutoff valve to help prevent cross contamination of regulators and wall vacuum outlets. Its 90° adapters allow tubing to connect at right angles to help prevent kinking and impeded fluid flow. The locking lid encourages the proper disposal of infectious liquid medical waste and enhances worker safety. Lid includes accessory and orthopedic ports.
