

CARE-STEPS® PATIENT SAFETY FOOTWEAR

Care-Steps Patient Safety Footwear has been a market standard in falls prevention for over 30 years. The smooth side construction and classic slip-resistant tread provide top of the line safety and comfort making it a product in the forefront of the acute care industry.

CARE-STEPS® PATIENT SAFETY FOOTWEAR

Meeting your footwear challenges, Albahealth® offers an extensive line of slip-resistant safety footwear for acute care, outpatient and long-term care patients. Our slip-resistant soles are designed to help reduce patient injuries while the soft knitted construction enhances patient comfort and encourages compliance.
