

The right kit for your patients' needs

Fully Stocked Kits

ADL/Hip Kits include all the bathing and dressing equipment your patients need to maximize independence and safety after surgery or hospitalization. Standard Kits include the items therapists most commonly recommend after hip replacement surgery. We also offer kits that are tailored to unique patient needs, or more economical when cost is the key factor.

Standard Kits include everything for post-operative needs.

Economy Kits are a good value for hip or knee recovery.

Deluxe Kits include premium products with options that are extra-wide or longer for larger-sized patients.

Standard

Everything needed for post-op

Hip Kits The ADL items most often recommended by therapists for recovering hip surgery patients. Contains 26"L AliReach Plus Reacher, 16 1/4"L Hook-End Plastic Shoehorn, 17"L Round Scrub Pals™, Dressing Stick, No-Tie Shoelaces (1 pair), and Sock Aid with two cords and foam handles.
