SureLife® Blood Pressure Monitors

Fast, Accurate, and Less Expensive!

SureLife® Blood Pressure Monitors offer an attractive and reliable way to take blood pressure measurements.

Both wrist and upper-arm models come in two styles: Classic and Premium. The Classic models provide incredible value with great features such as jumbo LCD screens, multi-user memory settings, and irregular heartbeat indicators. The Premium models add to these features with voice readout and a universal arm cuff for the upper-arm unit.
