SLIP-GRIP

<u>Re-Order #</u>	<u>Color</u>	<u>Size</u>	<u>Unit</u>
<input type="checkbox"/> 909250	Blue	12" x 144"	Roll
<input type="checkbox"/> 909251	Green	12" x 144"	Roll
<input type="checkbox"/> 909252	Raspberry	12" x 144"	Roll

Purpose

Slip-Grip is a nonslip matting that may be used to prevent cushions from slipping off chairs; hold plates so that unsteady eaters can feed themselves; and position instruments on uneven surfaces. Sold in 12: x 144" rolls, Slip-Grip may be cut to required size.

Important Safety Information

Slip-Grip loses its nonslip quality on wet surfaces. Do not use Slip-Grip on shower or bathroom floors. To avoid skin shearing, do not place Slip-Grip in direct contact with resident's skin.

Cleaning

Slip-Grip may be washed with soap and water and air dried. Do not machine wash and dry. Do not autoclave. Make certain that Slip-Grip is completely dry before using. Slip-Grip can EO sterilized.
