GENERAL DESCRIPTION

Trusted by doctors, speech-language pathologists, and dietitians since 1987, Thick-It® brings you AquaCareH2O® Beverages, an entire line of ready-to-drink, thickened beverages for those with swallowing difficulties. AquaCareH2O® Beverages are made with Artesian mineral water from 600 feet below ground, which results in thickened beverages that look and taste natural. AquaCareH2O® Beverages meet the National Dysphagia Guidelines for nectar- and honey-like consistencies, and will not over thicken.

AquaCareH2O™ Beverages offers those with dysphagia a variety of enjoyable beverage options while allowing caregivers to confidently give their loved ones the nutritional care they need and deserve.

LIST OF INGREDIENTS

Artesian Mineral Water, Xanthan Gum, Potassium Sorbate and Sodium Benzoate (to preserve freshness), Sodium Acid Sulfate, Sodium Hexametaphosphate, Calcium Disodium EDTA.

ALLERGEN INFORMATION

None—Based on FDA FALCPA (Food Allergen Labeling and Consumer Protection Act of 2004) "Big 8" allergens.

SERVING SUGGESTIONS

- Chill to enjoy a refreshing beverage
- Freeze to make ice cubes and frozen treats
- Heat to make a delicious hot beverage. Pour 8 fl oz in a microwave-safe cup. Heat on high for 60-90 seconds.* Stir in powdered drink mix. Take caution as product will be hot.
- Microwaves vary; heating times approximate.
- Add your favorite powdered drink mix for variety: tea, coffee, cocoa, broth, lemonade, milk, laxative or nutritional drink powder.

YIELD / PORTION

Number of 8 oz servings per bottle: 1

Number of 8 oz servings per case: 24

PACKAGE / STORAGE INFORMATION

This product will be stable for up to 18 months when stored unopened in a cool, dry place.

Product has been pasteurized. Refrigerate after opening and use within 14 days.
