

New Image Two-Piece Urostomy Pouch

This urostomy pouch has a tap at the bottom, which allows it to be connected to a bedside collector with the use of the adapter provided. Anti-reflux feature in pouch minimizes backflow of urine. Soft, beige ComfortWear pouch panels help provide comfort. To be used with a New Image skin barrier.

Features

- Urostomy pouch with tap
- Tap has teardrop indicator; some available with attached cap
- Anti-reflux helps prevent urine backflow
- Belt tabs
- ComfortWear pouch panels
Transparent and Ultra-Clear — body side only
Beige — both sides
- Not made with natural rubber latex
