

THE REMEDY
SKIN DESERVES

AT THE FOREFRONT OF SKIN CARE

Over a decade ago, Medline launched Remedy, a new concept in skin care, which quickly became the industry's leading skin care brand.

This success is the result of an unwavering commitment to raising the standards of skin care for patients and caregivers alike. It is success built on the rock-solid foundation of these **3 key principles:**

01

Care in Formulation

- ▶ Highest standards of ingredient selection
- ▶ Developed by leading skin care specialists
- ▶ Continuous product research and refinement

02

Proven Performance

- ▶ Clinically proven formulations*
- ▶ Color-coded system to intuitively guide caregivers

03

Complete Skin Care Product Selection

- ▶ Exceptional products for care from cradle to hospice
- ▶ Created with consideration of clinical needs and financial realities

EXCEPTIONAL CARE BUILT ON A HIGH PERFORMANCE CORE

The full range of Remedy Essentials and Remedy PhytoPLEX products is designed to provide a systematic approach to optimizing skin health for everyone.

PROTECTING DAMAGED SKIN

Each product is specially formulated to create a substantial, lasting layer of protection and support for irritated and damaged skin. Varied levels for micronized zinc oxide and petrolatum provide the level of protection needed by each patient.

- Protects intact, irritated and denuded skin from damaging effects of urine, fecal matter and other caustic elements
- Protects against all types of moisture associated skin damage (MASD)
- Helps relieve symptoms and protect against diaper rash
- Helps maintain skin's moisture balance
- Hypoallergenic & dye-free
- For all ages

ESSENTIALS

Contains 20% zinc oxide to protect irritated areas ◀

PHYTOPLEX®

- 57% U.S.P. standardized white petrolatum ◀
- Proprietary Phytoplex botanical formula provides added skin moisturization and nutrition ◀
- Aloe- and paraben-free ◀
- Now available — clear ointment and soothing menthol paste ◀

TREATMENTS WITH ADDED CARE

Remedy provides proven antifungal treatments in ointment or powder.

- 2.0% miconazole nitrate
- Effective against common fungi including athlete's foot, jock itch and ring worm
- Hypoallergenic & dye-free

PHYTOPLEX®

- ▶ Helps maintain skin while treating fungal infections
- ▶ Contain Phytoplex skin nourishment and moisturizers
- ▶ Available as ointment or powder

DESIGN YOUR PERFECT REMEDY

The value of skin care is far more than the price of what's in each bottle. Quality skin care has been shown to help lower the risks of costly skin conditions and readmissions.

▶ add H to the end of the item numbers to order by the each
