**Paul Hartmann AG internal test method "Rewet after ABL": comparison of the new MoliForm® Premium soft vs. the former MoliForm® Premium product generation

The new MoliForm® Premium soft

Anatomically shaped pad for moderate to severe incontinence.

- Active Skin Protection provides a strong pH-buffer and antibacterial effect to keep the skin healthy.
- Advanced Dry Zone guarantees 30%* more dryness and the skin is reliably protected from swelling and irritation.
- Optimized cuffs ensure greater leakage protection.
- Soft, white, textile-like backsheet offers premium wearing comfort and reduces rustling.
