

Nebulizer Kits

Did you know? By setting up patient resupply schedules for nebulizer kits, you could increase your annual reimbursement revenue per patient by 30%. Additionally, by switching disposable to reusable neb kits, you can save on costs and increase your profit per patient.

Roscoe Medical® Nebulizer Kits

Our Roscoe Medical® Nebulizer Kits are available in either disposable or reusable models to meet the needs of a wide range of patients. They deliver fast and effective treatment efficiently while the easy-seal, threaded cap and anti-spill jar prevent leakage of costly medication. Provides 80% of particles in respirable range.
