## Marketing Copy

Prevail® Nu-Fit® protective undergarment is designed with four things in mind: comfort, absorbency, skin health, and discretion. Prevail® Nu-Fit® features include: QuickWick® with MaxSoft™ which is a soft material that wicks wetness away from the skin, 360° Breathable Zones™ that allow air to circulate around the waist area and helps prevent heat and moisture build up. Printed sizing label indicates size and back of product.
