Prevail

Part #	PFNG-013/1	
UPC	090891246663	
Marketing Copy	<p>Prevail® Per-Fit 360™ Briefs offer ideal protection, comfort and breathability for those dealing with heavy bladder or bowel leakage. Prevail® Per-Fit 360™ features 360° Breathable Zones™ keep you cool and comfortable by allowing air to circulate around the entire waist area and help prevent heat and moisture build up. Doublesorb™ absorption reduces moisture with a lower storage core that locks up moisture, away from the skin. Each product is constructed with a discreet core technology that allows for thinner, highly-absorbent material that enables the user to move more freely and confidently. Combined with a super absorbent polymer for dual protection, Omni-Odor Guard™ technology is proven to reduce the total amount of odor-causing ammonia formed during and after use. Moisture is quickly locked in upon contact for added leakage protection while the soft outer fabric provides additional all-day comfort.</p>
