More Product Information

Prevail Specialty Sized Briefs: Maximum Absorbency

Get the exceptional protection and comfort of Prevail in a brief specially sized for the largest wearers. Bariatric A fits 62 to 73 inch waist and Bariatric B stretches up to 100 inch waist.

Supports skin health and wellness

360° Breathable Zones allow air to circulate around the entire brief and help prevent heat and moisture build up. Our DriFit system provides a new level of protection and skin comfort to help maintain healthy skin.

Provides exceptional protection and comfort

Direct Lock Panels offer an adjustable fit. Easy-Lock Fasteners grip and hold without being sticky for a secure fit with less chance of irritating the skin. Odor Guard helps stop odors before they start.

These briefs also have Cloth-like Outer Fabric that is soft and comfortable. Plus, Bariatric B has Expandex Wings for a secure and comfortable fit.

More about Prevail

When you take back control, you Prevail

Incontinence can affect anyone at different stages in life for a number of reasons. Whether you're a new mom experiencing bladder leaks for the first time or a caregiver assisting an aging parent, Prevail has you covered. We offer reliable, discrete, and comfortable incontinence solutions designed to help you take control of your life.

Care is in the details

There is a reason Prevail Underwear is the #1 rated brand in healthcare.* Prevail is a leader in advancing new technologies for greater protection, comfort, and skin health and wellness.

For instance, we recently launched 360° Breathable Zones that let air flow all around so skin can breathe. We also developed QUICK WICK layer with MaxSoft, which combines superior softness with rapid absorption to pull moisture away from the skin. You won't find this feature anywhere else.

It's all about you

All of these features—and everything we do—is all about you. We're committed to helping you manage incontinence issues more easily.
