Instructions for Use

Clean the affected areas and dry thoroughly. Apply a thin layer of the product over affected area twice daily (morning and night). Supervise children in the use of this product.

For athlete's foot:

- Pay special attention to the spaces between the toes.
- Wear well-fitting, ventilated shoes.
- Change shoes and socks at least once daily.

For athlete's foot and ringworm, use daily for 4 weeks. For jock itch use daily for 2 weeks. If condition persists longer, consult a doctor. This product is not effective on the scalp or nails. Store at controlled room temperature 59°F-86°F (15°C-30°C).
