

Tranquility SlimLine® Original Brief

Classic full fit brief with a slimmer profile makes it versatile for everyday use.

Product Description

SlimLine Original briefs conform to the body for a comfortable fit while providing superior absorbency. The *peach* core contains superabsorbent polymers which guarantee skin dryness, odor reduction and urine pH neutralization. The wetness indicator turns from yellow to blue when moisture is present, thus eliminating unnecessary changes and reducing costs. Kufguards® (inner leg cuffs) channel fluids into the core, helping to contain high volume urge episodes and bowel incontinence. The Junior, X-Small and Small sizes feature a cloth-like backing and micro-hook closure tabs. The Medium, Large and X-Large sizes have poly backing with refastenable tape tabs allowing for multiple opening and closing of the brief. Available in six sizes. Latex-free.
