## DESCRIPTION

Attends Advanced is our softest, driest, most absorbent underwear. Worn under clothing like regular underwear, they provide an alternative to briefs for active individuals. This premium product is designed with a soft, cloth-like breathable fabric and partial belly elastic for a comfortable, contoured fit. The technologically advanced core has a high moisture capacity, channeling fluid and locking it away to keep the skin dry and healthy. With the added protection of barrier leg cuffs, Attends Advanced Underwear is suggested for moderate to heavy incontinence. Tear-away side panels make removal fast and easy.
