DESCRIPTION

Attends Underwear is worn under clothing like regular underwear, they provide an alternative to briefs for active individuals. This premium product is designed with a soft, cloth-like breathable fabric and elastic

waistband for a comfortable, contoured fit. The technologically advanced DermaDry Technology with Single Core Plus has a high moisture capacity, channeling fluid and locking it away to keep the skin dry and healthy. With the added protection of barrier leg cuffs, Attends Underwear is perfect for moderate to heavy incontinence. Tear-away side panels make removal fast and easy.
