

Tranquility ATN (All-Through-The-Night) Disposable Brief

A full-fit brief with expanded surface area providing longer wear-time by absorbing multiple voids.

Product Description:

ATN Briefs are a maximum capacity disposable brief. Larger sizes hold over one quart of fluid. Individuals can sleep “all-through-the-night” or 6-8 hours uninterrupted by garment changes without compromising skin integrity. The *peach* core contains superabsorbent polymers which guarantee skin dryness, odor reduction, pH neutralization of urine and inhibition of bacterial growth. Kufguards® (inner leg cuffs) channel fluids into the core, helping to contain high volume urge episodes and bowel incontinence. ATN’s reduce wet linens and extra laundry, providing a greater peace of mind for the caregiver and the end-user. Latex-free.
